

Greetings,

"I just THOUGHT I had studied God's Word! Oh, I had read it a lot, taught it and even preached it, but all along there were those seemingly conflicts and contradictions in it that really worried me each time I skipped over another.

Effective CHRISTIAN EDUCATION is all about teaching and learning the "Joy of the Lord." Jesus explained, I have told you these things that MY joy and delight may be in you and gladness may be full measure and complete and overflowing. (John 15:11)

What's needed to be learned most today? It is the TRUTH OF GOD'S WORD AS HE GAVE IT! Do You agree? Will you help make such quality Christian Education available to more people?

The class is offered to all ministers and Christians and to those that feel that God has put a calling on their life to preach. "Teaching them to observe all things whatsoever I have commanded you" (Matthew 28:20). Would you like to do JUST THAT? Teaching your members all things about the Bible. Many preachers have the desire to do "JUST That!" As a result of this, members have moved their membership to other churches where they feel they will be better taught the Word of God.

If you are concerned about furthering your Christian education of God's Word, you need to consider Mississippi U.S. Mingo Bible School. We're concerned about Biblical education. At MS.U.S. Mingo Bible School, we dissect verses so that all who study the Word of God will understand verse by verse.

This is the reason we are called Bible School. We SPECIALIZE in TEACHING THE BIBLE not Theology or Religion neither denomination.

*MS. U.S. Mingo Bible School does not discriminate against religion, nationality, sex or race. All are welcome to enroll and enhance your Christian education.
